## SOURCE

Richard SCHUELLER, chief editor of the Communist newspaper Neue Zeit, in LINZ-URRAHR, stated at a staff conference on 21 December 1949 that the areas of main effort of the Communist Party in Europe are still Italy and France. No one should let himself be deceived or discouraged by the relative calm in these countries. Austria, which is fascist-infected, would be conquered indirectly, should direct measures not succeed. Switzerland would suffer the same fate.
